TOWN WARRANT

To the inhabitants of the Town of Belmont in the County of Belknap, in the State of N. H. qualified to vote in the Town Affairs:

You are hereby notified to meet at Community Hall, first floor, in said Belmont on Tuesday, the 8th day of March next at nine o'clock in the forenoon to act upon the following subjects:

(1) To choose all necessary town officers for the year ensuing.

(2) To choose one Selectman for three years, one Trustee of the Public Library for three years, one Trustee of the Trust Funds for three years.

(3) To see if the Town will vote to change the time of discussion of the warrant in 1960 to 1:00 p.m. on the Saturday after the second Tuesday in March.

(4) To see what action the Town will take upon the budget as recommended by the Budget Committee.

(5) To see if the Town will vote to allow a discount of 2% on all taxes paid within thirty days of presentation of tax bills.

(6) To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum of sums not exceeding in the aggregate $60,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name of and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year.

(7) To see what the Town will vote to do with the income from the John M. Sargent fund.

(8) To see if the Town will vote to authorize the Selectmen to refinance and/or renew any loans which may become due during the current municipal year.

(9) To see if the Town will vote to abandon that part of old Route 106 beginning at a stone wall at the land of Viola & Robert Corriveau and running in a south westerly direction to a point meeting the new Route 106.

(10) To transact any other business that may legally come before said meeting.

Given under our hands and seals this 20th day of February. In The Year of Our Lord, nineteen hundred and sixty.

JOHN F. MOYNIHAN
THOMAS A. ROACH
FLOYD W. WHITE

SELECTMEN'S REPORT

As the year 1959 comes to a close it is our desire to bring to your attention some of the activities during the past year.

The sum of $12,000.00 was appropriated to build a new fire station which was much needed to protect our fire equipment from freezing during the winter months and to give adequate space for the firemen to get the fire trucks in and out of the fire station.

A committee of five was appointed by the Town Moderator Royal W. Smith to work in conjunction with the Board of Selectmen namely Charlie Davis, Urvin Somers, Robert Talbot, Leo Alger, Lomer Theberge. Numerous meetings were held with the thought of determining the type of construction required in order to give satisfactory service. The Board of Selectmen were instrumental in arranging a conference with the officials of the Free Gospel Church to have them give the Town a forty-foot right of way across the church property, this resulted in considerable saving to the Town from the stand point of gravel fill should we find it necessary to have the entrance on Sargent Street.

We also wish to thank Mrs. Annie Boutin for the $200.00 rebate she gave to the town on the piece of land the town purchased from her.

Civil Defense

During the past year the Civil Defense Agency purchased cot beds to be used in case of any emergency, this equipment was purchased with funds appropriated from the State and Federal Government.

During 1960 some of the members of the Civil Defense will contact every home in the town for the purpose of giving each home owner or tenant an index card on which will be the number of each house and also the number of the road or street that they live on. A duplicate card will be on file at the Town Hall to be used in case of any emergency.

Much credit should go to our Civil Defense Director David Richard Jr. who has given much of his time in making arrangements for the benefit of the townspeople in case any emergency should arise.

Highway Department

During the past Plummer Hill Road was completed with the usual black top surface which was much desired.

Hurricane Road was resurfaced with the regular black top material for a distance of one and two tenths miles. Due to the amount of travel on this road this was certainly a most needed improvement.

Brush was cut on Fellows Hill and South Road by the Telephone Co., and removed or burned by our highway department.

South road is to be resurfaced during 1960 which will improve traveling conditions which has been greatly desired.

A splendid piece of work was accomplished on the sand pit located on Hurricane Road, stumps and trees were removed so as to make accessible a plentiful supply of sand and gravel needed for our highways.

REPORT OF BELMONT POLICE DEPARTMENT

For the Year Ended December 31 1959

The Town of Belmont was once again free from fatal traffic accidents during 1959, and the Police Department was presented with a certificate from the Commissioner of Motor Vehicles in recognition of co-operation and support.

Where many neighboring towns of approximately the same size enjoy inflated budgets, your Belmont Police Department continues to operate with a part-time Chief, and five Special Officers, at a cost of less than 50 cents per year for each man, woman and child in town. While operating on this $1,300 annual budget, the department has been partially self sustaining, because it has returned considerable money to the town through its Municipal Court, making the actual cost of police protection less than $1,200.

The Belmont Police Association has continued to devote its Saturday nights during the winter months to dances for teen-agers at the Town Hall. Under the supervision of police officers and their wives, the youngsters are given a safe and sane place to spend their Saturday nights in town and off the streets. From the small admission fees charged, the association has been able to purchase $432.55 in equipment at no cost whatever to the taxpayers of town. The Association has also donated to worthy local charities, and will foot the cost of the orchestra for the annual Junior-Senior Prom for Belmont High School.

Several of the Special Officers have converted their car radios to receive police broadcasts, and this has proved convenient during busy periods. Wintertime inspection of camp properties along Lake Winnisquam and Silver Lake has been continued, as well as coverage of the more than 80 miles of town roads and three state highways that bisect the town. Several larceny cases resulted in court action and recovery of stolen property. After a vote by the 1959 Town Meeting, to add a Special Officer from the Province Road section, Alden Brown was appointed.

Your Belmont Police Department wishes to thank the citizens of Belmont and the Selectmen for their co-operation during the past year, and enlist your support in the year to come.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint, New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 7 out of every 9 fires were caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.

5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	7
Number of acres burned	25¼
Number of permits issued	85

WINNISQUAM FIRE DEPARTMENT

To The Town of Belmont:

The Winnisquam Fire Dept., Inc. is pleased to report that a new front end pump has been placed on Engine No. 2.

The amount of $3,011.19 was spent for the following: Dept. Maintenance, Truck Maintenance, New Equipment and Equipment Maintenance.

Some new hose has been purchased but more is needed.

The Winnisquam Dept. wishes to thank the voters of Belmont for their confidence in us as a Department and for their appropriation.

The Department answered the following calls in 1959—Tilton 3—Sanbornton 16—Belmont 11—Mutual Aid 5—a total of 25 calls. We were very fortunate this past year in regards to forest fires.

Following is an itemized account of Maintenance from Town Funds.

REPORT OF HEALTH DEPARTMENT

Year Ended December 31, 1959

The water supply for the Town of Belmont, which comes from the well located near Pout Pond on Shaker Road again meets with the approval of the State Board of Health. The pump at the station was removed and cleaned out this fall, and the result is that the water now contains a lesser degree of iron, which has previously shown up in water tests. The cleaning also means not so much rust is entering the system.

The Health Department with the co-operation of the Board of Selectmen made investigations and condemned two places that were considered unfit for occupancy. One residence, which did not conform to the zoning code, was removed from its site, while the other place, formerly a residence, is still under consideration as to what action will be taken.

REPORT OF PUBLIC HEALTH NURSE

January 28, 1960

Board of Selectmen
Belmont, N. H.

Dear Sirs:

It seems impossible that another year has passed and it is time for Town Reports again.

Although I have no clinics to report on, I do want to say that progress is being made concerning an interest and insight to health needs in Belmont. You may recall that I mentioned my plans to organize a "Child Health Committee" in Belmont, in my last year's report. I am pleased to say that such a committee has been established and they are working now to obtain a complete immunization survey

of every preschool child in Belmont. Mrs. Dorothy Corriveau is the chairman of the group. It is hoped when this survey is completed that we will have a clear picture of the immunization needs of this age-group and try to meet these needs accordingly. Thus far, the data we have on hand indicates that a large number of preschool children have incomplete immunization against whooping-cough, diphtheria, tetanus, smallpox, and polio. There are several reasons for this lack of immunization. Many parents are unaware or have over-looked the importance of obtaining protection against these diseases, believing epidemics are a thing of the past. This of course is not true and when a city or town becomes too relaxed regarding immunization, the danger of an epidemic grows greater every year. It is also realized that many parents cannot afford these injections and are hoping for a clinic. The committee and I also share this hope. Since I have no promise of such clinics at the present time, I urge all parents have their children immunized if at all possible. Waiting could mean tragedy as well as expense.

There is also a committee working on the necessary arrangements for a preschool dental hygiene and sodium fluoride program. This will be sponsored by the P.T.A. and conducted by the State Department of Health. The date has been set for February 29th. This program will provide cleaning and four applications of sodium fluoride at stated intervals, for the teeth of preschool children age three to school age. Sodium fluoride is a measure for the partial prevention of tooth decay and does not stop decay already present in the tooth. It will, however, assist the teeth to become more resistant to decay. Mrs. Donna White is chairman of this group and has reported an excellent response and interest on the part of the parents.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Belmont qualified to vote in district affairs:

You are hereby notified to meet at the Community Hall in said district on the fifth day of March 1960, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to authorize the design, construction and equipment of an addition to the Belmont High School and to appropriate a sum of money therefor to be raised by borrowing in accordance with the provisions of the Municipal Finance Act, R.S.A. c.33, or otherwise.

10. To take any other action which may legally come before the meeting.

Given under our hands at said Belmont this second day of February 1960.

REPORT OF SUPERINTENDENT OF SCHOOLS

Belmont Schools:

The Belmont School Board has always worked cooperatively with the Municipal Budget Committee, the Selectmen, Fact-Finding Committees, and the people to democratically find the solution to the many problems which come with increased school enrollment and the need of increased facilities.

The community improved its educational program with a new elementary school, improved science facilities, a better high school curriculum, modern textbooks, teacher salaries to retain good teachers, and policies by the School Board to demand the best education at the lowest cost.

The education needed by high school graduates and pupils leaving school fifty years ago did not include the information required today for entrance to college, the professions, industry, or business. Education in the high schools and college today must include a background of knowledge of new terms such as automation, jet planes, electronics, guided missles, atomic submarines, nuclear weapons, satellites, solar energy, color television, space travel, the present scientific revolution, population explosion, the rise of nationalism in Africa and Asia, atomic fission, integration, and above all, the dedication to American freedom and the defense of Democracy against atheistic and militant Communism.

In 1960, a high school diploma is a necessity for anyone seeking advancement in the armed forces, business and industry, as it formerly was a must only for those entering college or post-secondary education.

School Operation:

The Belmont School Board has saved the district money by competitive bids on every article and service where possible. School transportation bids have been among the best in New Hampshire.

General School supplies continue to be purchased at great savings through competitive bids on the complete list for the school districts of Tilton-Northfield, Belmont, Gilford, Gilmanton, and Canterbury.

Appreciation:

I have enjoyed very much the meetings and consideration of Belmont educational problems with the efficient and astute School Board of Mr. Roland Kimball, Chairman, Mrs. Suzanne Roberts, and Mr. Robert Bordeau. Mr. Roland Kimball was again reelected chairman of Supervisory Union #59 because of his judicious and democratic service to the problems of the five towns.

The School Board meetings with the members of the Fact-Finding Committee have been very valuable and every decision reached has some after very thorough deliberation and study of all alternatives. It is certain that their purpose has been to maintain the best educational system the town can afford, and to make certain that Belmont's steady progress in education is continued and advanced to meet the needs of 1960.

I am sure that Belmont education in the next decade will consider carefully the academic preparation of its pupils for college as well as the life preparation for the ones not entering college, as expressed in the U. S. Department of Labor report, Our Manpower Future - 1955-65 by this quotation: "Nearly half of the increase in the labor force will be the boys and girls who today are in the elementary grades and early years of high school. By providing the best possible guidance, education and training for these youngsters in the immediate years ahead, we can assure their entrance into the labor force as well adjusted, qualified and competent workers."

Cordially yours,

GORDON L. FOX
